> The annual Christmas gathering in connection with the Seamen's Mission was held last evening in the Sailors' Home, when upwardof two hundred sat down to tea, after which an entertainment, consisting of glees, sough, and addresses, was given by the ladies and gentlemen of St Peter's Church in the Reading room. which was pully descrated with banders, evergreens, &c. Addresses were given by Bishop Burdon and others, and the meeting was brought to a close by a hearty vote of thanks to the ladies for their kind services on the motion of Rev. W. Hamilton, seconded by Mr.

The Courrier d'Haiphony says it is indispensable that France should send a mission to Western Yunnan and the frontiers of Burmah to ascertain how the English conduct their trade with the aborigines and the kind of goods they supply. Our contemporary says it has heard from Yun- judiciously utilised, while the scene itself, in The part is, perhaps, not a difficult one. Still Capital, fully paid-up can that an English Commissioner has arrived four sets, representing "The Seasons," is a at that town, and supposes that "like all English Consuls sent on journeys in new countries he has a package of samples with him." method of procedure is recommended by the as the designer, and his able assistant. Mr. Lee is a most amusing ass. To pass to Courties to France, and the article-goes on to Mr. Baptists, every praise is due. The speak of the possibility of extending trade by the Tonquin and Yunnan r ute as far as Thibet

in British Columbia if nowhere else on the American continent. A telegram in the Vanconver News-Advertiser, dated Ottawa, Novem her 26, says :- The British Columbia del gation have arrived in the city to interview the Govern- dience gathered together at an amateur performment on various important questions. They will ask the Minister of Customs to urge upon the Government the necessity of removing the 50 poll tax now imposed on thinese immigrants on the plea that the scarcity of labour prevalent threatens serious injury to provincial industries. With the tax removed it is claimed that the in I flux of Chinese will be such that cheap and good labour will be available for everyone.

The Hyogo News of the 19th inst. has the folowing :- The P. & O. steamer Venetia came in vesterday morning at nine o'clock, having been detained some three or four hours by grounding on Motoyama spit. So far as we can learn, the Venetia was about half an hour ahead, in passing through Shimonoseki, of the Yokohamamaru. At ten o'clock those on board the latter vessel saw that the Venetia had stonned and soon afterwards came the signal. We are peg in which to hang topical songs to kins, for the singing of the dust, "I am afraid 4 p.m.: ashore" Preparations were made on board the Yokchama-mara for towing her off. Captain Swain took his vessel to within a quarter of a mile of the bnov, when the soundings suddenly jumped from 10 fathoms to 42, the Venetia then lying, as near as could be judged. balf a mile inside the buoy. Captain Haselwood, however, declined assistance, hoping to get off at the flood, which he succeeded in doing, and the Yokohoma-maru came on here. We have not heard what damage the Vinetic sustained but as she grounded on a sandy bottom it will probably not prove very serious. The Motoyama buoy, inside which she managed to get, is moored on the southern extreme of the shoal which extends to the southward of Misaki. near ater: depth of water at low-water spring tides fathoms. The Venetia was in charge of a

The Vancouver News-Advertiser of the 26th ilt. says:—A striking instance of Russian ab solution and tyranny was illustrated in the per-Batavia arriving in this city on the 2nd inst. The gentleman in question, who went under the assumed name of Brant, was cone other than a refugee from what is known in Europe as Russian justice. Eighteen years ago Brant was the editor of a newspaper in Russia. He was not a only a mild form of Liberalism. His views, at all events, as expressed in his paper, displease the Government, and for the offence he was sen tenced to life in Siberia. A young man, with ambition, brains, a splendid education, a bright future before him, and a family to live for, to be banished to that country of convicts with no thing but penal servitude to look to, would in ever, the common ordurrence, as such at was in the Caur's dom ing excited no particular comment in that country, and for 6 years be was in solitary confinement. After that he he was enabled to earn a pistance by practising this profession whenever opportunity effered, but the fact being discovered even that somoney. Some time age he met three American The cricket match, Scotland v. The World, will point, he determined upon reaching the and landed at Nagasaki. THE PANTOMIME AT THE THEATRE ROYAL.

An unwonted spectacle in Hongkong is the time honoured Christmas Pantemime, but though curtain at the Theatre Royal rose to house packed from floor to ceiling. andience was a thoroughly representative prominent member of more than one Masonic His Excellency the Governor dewnwards, being there to witness the production. For some time past it has been a well-known fact that preparations on a large scale were being made by the to speak no more than is set down to them. Amateur Dramatio Club to give a pantomime that should be worthy of the Club and the ocwhich have from time to time circulated socialinstance rumour, for once, seems to have spoken pointed. The pantomime of "Ali Baba and the Forty Thieren" is undoubtedly a success, it might almost be said an unqualified success, and the Club is to be congratulated on the result of their labours of the past few months. We may venture to say that there are few Amsteur Dra- Whether this is because Mr. Grace likes it or, matic Clubs, certainly anywhere outside London, that could have excelled, as a whole, the production which the Hongkong Amateurs have now placed before us. The first night's per- ceedingly well. His performance of Ganem is formance was, as such, singularly free from hitches, such little flaws as there were being the lover's is not a particularly prominent part scarcely noticeable and such as can be easily remedied at future performances. The staging formance, earned a large meed of reward. He and mounting of the piece are well nigh perfect. the boards on several occasions being one mass of light and colour, well-arranged, prettily de- He has lost much of his old stiffness and Property, farm lote 18, 19, 25, and 36 signed, and perfectly harmonious. The scenery in the part of Abdullah he shaped dethroughout is appropriate and worthy of remark : especially does this apply to the Golden Cave that he made it if snything a little too solemn and the Transformation Scene. The latter scene and tracio to be quite in Keeping with the charcertainly came as a surprise to most, and is alone actor of the production. His singing of "I amwell worthy of a visit to the theatre. The stage at the Theatre Royal is not of particularly large dimensions, but the space at command has been of the donkey, and played it remarkably well

most effective and pretty piece of work, to Staff Paymaster Yookney, R.N., dresses, which we note the Hall and Holtz Company are responsible for, are simply gorgeous, not nearly so praiseworthy as that of the male The Chinese appear to be favourably regarded and in the scenes in which the thieves appear, characters. Mrs. Hoberson was one of these the stage is illuminated with the most radiant colours, the movements presenting to the eye first appearance on the stage here, but the kind the appearance of a vast kaleidoscope. The au ance is usually a friendly one and not sparing in its applause, but hearty as this was on Thursday berson has a very musical voice, but of night, it was not more than the performers' due. The book of the pantomine is now-a-days one the size of the Theatre, and we should of the least important parts of the production, strongly advise her to cut out the song from and the best that can be said for the present one "Dorothy" in Scene 5 altogether, or else to is that if the greater part of it rarely falls below substitute for it one of a less trying character. the usual run of such work it rarely rises above This, however, is, as mentioned, comparatively unimportant, the dialogue being left very have seen Mrs. Fraser Smith in characters which much for the performers to supply. The old story of the Forty Thieves is preserved more less and occasionally comes in, but is not allowed to appear more often than is necessary for th progress of the piece. It serves as a sort

the airs of popular music hall melodies

full of such. An allusion to local events, how

ever clumey, is generally pretty sure of recogni-

allusions to various local topics. The

tion, but the allusions on Thursday night, both beyond that they looked well. The same rein the songs and "wheezes," were far from mark also applies to Miss White, the Fairy who clumsy. In fact they were, as a rule, particularly introduces the Transformation Scene. Of the nest and decidedly pointed. Nothing in our local remaining performers—the rebbers, attendants. life which could possibly attract the attention stine individually, but one and all they worked of a satirist has been allowed to escape, and from | well, and although they perhaps come in for the the Governor downwards, almost every one who least share of the praise for the trouble they has played the least part in public affairs comes Motovama, and is of iron, painted red and sur- in for some share of notice. Our institutions mounted by a cage standing 15 feet above the here are too few to give much scope in this way cludes in good old-fashioned style with a Har-promise. but such as we have been pounced uponas the former part of the performance. The When a beneficent Legislature gave us a Sanitary Board all to ourselves, doubtless the end they had in view was a commendable one. -Whether it has been fulfilled or not, thank goodness son of one of the passengers of the steamer his is not the place to discuss, but the Board has served, and served well, one end. It has noted since its foundation on its present basis, as the Mr. Lightwood is a passable harlequin and butt of the public and private satirist. On this occasion it plays a very prominent part. One of heard so much, is a good columbine. the best bits in the whole pantomine is where Nihilist or anything so violent, but professed Ally Sloper reads the minutes of a Sanitary immense amount of labour, and in giving credit Bourd meeting. It is one of the eleverest cari- to those to whom it is due the name of Captain catures we have heard for some time, if it be Clayton, the stage manager, must not indeed fair to call it a caricature. To those who gentlemen who composed the orchestra under the are intimately acquainted with the Board, it reads more like a true report in postry. It was composed of the following gentlemen: evidently caught the fancy of the audience and Messra. Von Wille and J. G. Schroter direct violius). A. Ough (second violin), H. Ehmer this country of freedom and enlightenment be re- the gentleman to whom this "poetic gag" is garded as punishment fit for any crime. How- due deserves special mention for the skill be has displayed. It would be impossible to mention all the other skits on local men and local manners which excited the risible faculties of the audience. was 12 years on parole going, from place to The Governor's speech on the estimates, the place. Being a doctor of medicine, at first "Rope" case, the proposed rise in the Civil Service galaries, the Land Investment Company, and shares and share dealing generally were latium was denied him and he was not allowed to included amongst others in the catalogue. The remain long enough at one station to make andience was a most appreciative one and caught on readily, no allusion being There will be a game of Polo to day (Satur- and they advised him to escape, which, after lowed to pass unrecognised—even a someday), the 28th instant, at 3.30 p.m. at the Race calculating the chances well, he undertook and what recordite one which cropped up more accomplished successfully. Being directed to than once in different forms, having some a place eighteen miles from his last stopping inveterious reference to a certain billiard

table, seemed to be as fully appreciated as the British ship and explained the circum rest. The songs also are equally up to date as stances to the officers. He was taken on board regards passing events in the Colony and certainly no complaint can be made as to want of ocal colour in the performance.

With regard to the efforts of the performers themselves, we can on the whole, speak well. It must be admitted that with regard to individuals the results are somewhat uneven. The work done by some is meritorious in the highest degree, while that of others could only be called collency the Governor to the expenditure of \$300 passable. To deal with them seriatem, we first recommended in a report sent up by the Board not taken up, stand over until the case of Samuel recting easy under the promise of official have Mr. Lightwood as Ali Baba, and we certainly think that he plays this part far better also read, stating that the Board's draft condi- brokerage unless the shares were taken up. CHARGE OF STABBING A POLICE CONSTABLE. Essel Gundersen, a seaman on board the Benalder, was charged with stabbing Jewa Singh. P.C. 664, on-the 26th inst. A. Macdonald, P.S. 27, said—About 3 a.m.

on the 26th instant a hoatwoman came to the Kowloon station. She reported that an Europeansailor whom she had brought to Kowloon wharf. was fighting with a constable I immediately ran down to the wharf, where I foundthe complainant lying on the wharf with a veteran forger and swindler had ever fallen into stab in the right breast. He appeared to be the hands of justice. Rolfe has undergone in great pain and was mosning. I went back numerous sentences for similar crimes in both to the Police Station and informed Inspector Corcoran of what had taken place. Inspector then returned with an ambulance and had the complainant removed to the Hospital. Lying beside the complainant I found the collar produced and the carbine belonging to the constable. There is out right through the leather \$100,000.00 sling of the carbine. There were several marks on the butt of the carbine, made by the backs of a knife. From information received we then 9,602.54 | went on board the steamer Benalder. The boatman and boatwoman went on board with us. 2.0-3.16 We went into the forecastle and after leoking 1.717.88 | through it the boat-people pointed out the pri-144.03 soner as the man who had been fighting with 50.00 the constable. We arrested the man, took him. to the Police Station, and charged him soner deined all knowledge of the charge.

Lo Yau, boatman, said—About 1 a.m. on the 26th inst. I took defendant from Pedder's Wharf to the Kowloon Godown Wharf. On arriving at 30,197.83. the wharf he refused to pay his fare. We called an Indian constable. He still refused to pay and the constable took him in charge. I saw the constable take the man in the direction of the Police Station. Shortly afterwards I heard a Police whistle blown. I ran in the direction of l the sound and found the complainant lying on he ground. On seeing me the defendant ran l owards me and I hid myself. I then saw the defendant run on board the Benakler. When the prisoner ran after me. I saw that he had a knife in his hand. Sometime afteward-I went on board the Banalder with the Police. We saw the prisoner lying down in his bunk. The Inspector told him to get up. I then recognised him as including many of his political opponents. the man who had assaulted the police constable. So Kwan, watchman to the Kowloon Goabout 2.30 a.m. he was on duty near Kowloon soner then tried to get a samuan.

Wharf when he saw the prisoner run out from one of the wharves. I he prisoner saw him come It will be seen that the outlay for working during | towards him and witness ran away. The pri called out to the sampan people not to take him. He then saw the prisoner run on board a yellowfunnelled steamer, which was lying alongside The case was remanded till the 2nd January.

THE PROPERTY OF THE PROPERTY O

A NEW, BAGA,

THE GOSPEL OF RENUNCIATION. What had happened in the great world during his heart. the two years in which Michael Sunlocks had . But when she had recovered berself, he smiled been out of it is very simple and easily told. Old Adam Fairbrother had failed at London as still rolled down his own haggard face, and prohe had failed at Copenhagen, and all the good tested once more that there was nothing to fear, that had come of his efforts had ended in evil. It was then that accident helped whim in his

The relations of England and Denmark had long been doubtful, for France seemed to be stepping between them. Napoleon was getting together, a combination of powers against England, and in order to He laughed at that, and said that if every

threatened to send a force overland. He counted there was a boat within the harbour, the same without the resources of Nelson, who with no that he had come by, a Shetland smack that had more ado than setting sail; got across to Copen- made pretence to put in for haddook, and would hagen, took possession of every ship of war that sail at any moment that he gave it warning. lay in Danish waters, and brought them home to England in a troop. When Adam heard of this he saw his oppor-

bunity in a moment and hurrying away to Nelson at Spithead he asked if among the Danish ships asked. that had been captured there was a sloop of war that had lain near two years off the island of Grimsey. Nelson answered No, but that if there was such a vessel still at liberty he was not of a mind to leave it to haves him. So Adam told why the sloop was there, and Nelson, waiting for man-or-war, when added the Danish fleet what had been done tions you, answer as little as you may. Whatever deep pockets for a key, and shuffling along, can poor old Adam's heart, for I myself will the bottle was emptied, and he fluing it on the less of the Danish fleet what had been done tions you, answer as little as you may. Whatever deep pockets for a key, and shuffling along, can poor old Adam's heart, for I myself will the bottle was emptied, and he fluing it on the less of the Danish fleet what had been done to him, and would be floor. no further instructions, despatched an English

Before anything was known of this final step of Nelson, his former proceeding had made a great noise throughout Europe, where it was loudly condemned as against the law of nations, by the rescals who found themselves outwitted. When the report reached Reykjavik, Jorgen will not betray me? Jorgensen saw nothing that could come of it but instant war between Denmark and England, and nothing that could come of war with Eng. land but disaster to Denmark, for he knew the English navy of old. So to make doubly sure of his own position in a tamult wherein little things would of a certainty be seized up with great ones, he conceived the idea of putting Michael Sunlocks out of the way and thus setfling harassing complications Then losing no ing him to send a company of men ashore im- read Greeba's secret by the light of his own. mediately to execute the prisoner lying in "I understand," he said, sadly, "I think charge of the priest of the island. Now this despatch, whereof the contents beeame known throughout Reykjavik in less time

than Jorgen took to write and seal it, had to be carried to Grimsey by two of his body-guard. But the men were Danes, and as they did not know the way across the Bursting sand desert, an Iceland guide had to be found for thom. To this end the two taverns of the town were beaten up for a man, who at that season—it was t winter, and the snow lay thick over the lava everything, nothing. streams and the sand -would adventure so far from home. And now it was just at this time, after twobeard of him, that Jason returned to Reykjavik. of fire on my head."

himself, a worn, torn, pitiful, broken ruin of a "I was a fool-that was all. I made myself think man. People lifted both hands at sight of him. that I cared for you. But it's all over now." but he showed no self-pity. Day after day, night "Jason," she said again, "it was not alafter night he frequented the taverns. He drank | together my fault. My husband was everyas he had never before been known to drink; he thing to me; but another woman might have laughed as he had never been heard to laugh; sang loved you and made you happy." as he had never been heard to sing, and to all outward appearance be was nothing now but a shame- woman less, graceless, disorderly, abandoned profligate. Jorgen Jorgonsen heard that Jason had re- Greeba. "Depend on that." turned, and ordered his people to letch him to Government House. They did so, and Jorgen and Jason stood face to face. Jorgan looked at lose heart." Jason as one who would say, "Dare you forget "I don't," he said, "not I;" and yet again he the two men whose lives you have taken?" And laughed. But growing serious in a moment, he said, answer. " Dare you remember that I spared your come out to this desolate place only that you might own life?" Then, without a word to Jason, old live under the same roof with your husband?

Jorgen turned to his people and said, "Take him "My home was his home," said Greebs, "my away." So Jason went back to his dissipation, kindred his kindred, and where he was there had and thereafter no one said yea or may to him.

bered by it in a moment, and when the guards years," he said, " for the day and the hour when came on their search for a guide to the tavern | you might reveal yourself to him?" where he was, he leapt to his feet and said, "I could have waited for my husband," said "You won't pass, my lad," said one of the that Jacob waited for Rachel." Danes, "for you would be dead drunk before you He paused a moment, and then said, " No, no,

crossed the Basket Slope Hill." "-Would I?" said Jason, moodily, "Who where or, other—that's the way of it." knows?" And with that he shambled out. he laughed louder than ever, and every hollow But in his heart he cried. "The hour has come note of his voice went through Greeba like a at last! Thank God! Thank Hod! Before he was missed he had one from he was crying in his despair, "My God! how Reykjavik, and made his way to the desert with she loves him! How she loves him!

his face towards Grimsey. The next day the guards found their guide and set out on their journey.

The day after that a Denish captain arrived Keykjavis from Copennagen, and reported to say that a stranger was asking to see Oh, for one day of freedom! Only one day, one and he laughed.

Jorgen Jorgensen that off the Westmann Is. lands he had sighted a Brittsh man-of-war, mak- him. ing for the northern shores of Iceland. This news put Jorgen into extreme agitation, for he guessed at its meaning in an instant. As surely as the warship was affeat she was bound for Grimsey, to capture the sloop that lay there, and as surely as England knew of the alcop, she also knew of the prisoner whom it was sent to watch. British sea-captains, from Drake downwards, had been a race of pirates and out-throats. and if the captain of this ship, on landing at Grimsey, found Michael Sunlocks dead, he

his people to the nearest yard arm. So thinking in the wild turmoil of his hot old head, wherein everything he had thought before was turned topsy-turvy, Jorgen Jorgensen decided to countermand his order for the execution of Sunlocks. But his despatch was then a day gone on its way. Iceland guides were a deep sadness. "A message?" he said. tribe of lazy vagabonds, not a man or boy about have never come from Jorgen Jorgensen ?" his person was to be trusted, and so Jorgen concluded that nothing would serve but that he should set out after the guards himself. Perhans he would find them at Thingvellir, perhaps he would cross them on the desert, but at least he would overtake them before they took boat at Husavik. Twelve hours a day he would ride, old as he was, if only these skulking Icoland giants could be made to follow after him.

Thus were four se eral companies at the same | dying ?" time on their way to Grimsey; the English man-Danish sloop; the guards of the Governor to forgiveness," he said. "She cannot die withorder the execution of Michael Sunlocks; Jorgen out it.". Jorgansen to countermand the order; and Rec Jason on his own errand known to no man. The first to reach was Jason.

When Jason set little Michael from his knee to the floor, and rose to his feet as Greebs entered he was dirty, bedraggled, and unkempt; his face was jaded and old-looking, his skin shoes were splashed with snow, and torn, and his feet were bleeding; his neck was bare, and his sheepskin- to her. coat was hanging to his back only by the woollen scarf that was tied about his waist. Partly from | bewilderment, but Jason gave him no time to shock at this change, and partly from a confused speak. memory of other scenes—the marriage festival little chamber of the Senate, the gaol, the mines, your reverence, do not say no. Think, and the Mount of Laws-Greeks staggered at sight of Jason, and would have cried aloud and be what they may, she is penitent. She is callfallen. But he caught her in his arms in a ing for her husband. She is calling on you to moment, and whispered her in a low voice at her send him. It is her last request—her last prayer. ear to be silent, for that he had something to say Grant it, and heaven will bless you. that must be heard by no one beside herself. She recovered herself instantly, drew back as

look of dread if he had known she was there: "Yes" he answered. "Where have you come from? " Revkjavik." She glanced down at his bleeding feet, and way.

"Night and day." "Alone?"

Total bear it, for I have borne many things.

I can bear it, for I have borne many things. Tell me, why have you come ? 3

"To save your husband," said Jason." Hush! And then he told her, with many gentle pro- and Norman said the old man. I im only a simple who calls for me, and the despatch came in tests against her ghestly looks of fear, of the old priest, buried alive these thirty years, or absence whom would you be then?" guards that were coming with the order for nearly, on this lonely island of the frozen seas. A Lahould be here," said Jason; simply. of a woman's tours. "How she loves him !" he thought, and again,

and again the word rang in the empty place o as well as he was able for the great drops that for he himself had come to forestall the danger, and things were not yet so far past help, but there was still a way to compass it. "What way P" she asked.

"The way of escape," he answered. "Impossible," she said . There is a warship outside, and every path to the shore is watched." coerce Denmark into using her navy, a small but goat track were guarded, yet would be make his efficient one, on the side of the alliance, he way to the sea. And as for the warship outside, She listened eagerly, and though she saw but do it." little likelihood of escape, she clutched at the

chance of it. "When will you make the attempt ?" "Two hours before dawn to-morrow,

"Why so late?" "Because the nights are moonlight." "I'll be ready." she whispered "Make the child ready also," he said. "Indeed, yes," she whispered.

or pretend to do, speak not a word, give not a passage, when Jason raid noid of his arm and not."

sign, change not a feature. Do you promise?" said in a whisper, "Wait! It isn't fair that I "Will you tell him why I would not?" said in a whisper, "Wait! It isn't fair that I "Will you tell him why I would not?" said the English prisoner whom it had been sent to or pretend to do, speak not a word, give not a passage, when Jason laid hold of his arm and not." Yes, she whispered, "yes, yes."

. And then suddenly a new thought smote her. "But, Jason," she said, with her eyes aside. and her fingers running through the hair of little Michael, "but, Jason," she faltered, "you "Betray you?" he said, and laughed a little.

"Because," she added, quietly, "though I am here, my husband does not know me for his wife. He is blind, and cannot see me, and for my own reasons I have never spoken to him since I came:"

"You have never spoken to him?" said Jason. "And how long have you lived in this house?" command of the sloop of war off Grimsey, order- told him at the mines, and in an instant he had return this key to you. But first enswer me "Two years." understand "... She caught the look of serrow in his eyes, and said, " But, Jason, what of yourself?"

At that he laughed again, and tried to carry himself off with a brave gaisty." "Where have you been !" she asked. "At Akuyeri, Husavik, Reykjavik, the deser -everywhere, nowhere," he answered. "What have you been doing ?" "Drinking, gaming, going to the devil-

And at that he laughed once more, loudly and noisily, forgetting his own warning. "Jason," said Greeba, "I wronged you once, and-a-half years in which no man had seen him or and you have done nothing since but heap coals Scarce anyone knew him. He was the wreck of "No, no; you never wronged me," he said.

> "Ay, ay," he said, "another woman, another "Somewhere or other she waits for you," said "Ay, somewhere or other." he said.

" So don't lose heart, Jason," she said; "don Jason looked back at Jorgen as one who would said, "And did you leave home and kindred and

When the order came from Reykjavik that I was to keep Sunlocks said, "Is that the condition of my close guard and watch on him, nothing would satisfy him but that I should turn the key on him. That was out of fear for me. He is as brave as a lion, and as gentle as a lamb. ('ome; locks. the sconer he hears his wife's message the better for all of us. It will be a sad blow to him, badly ". Yes." as she treated him. But come ?." --So saying, the old priest was fumbling his

should be ignorant of what we are doing until it "As you will," said the priest. "Can you trust me ?" said Jason. "That I can."

"Then give me the key." The old man gave it. "When do you made your next signal ?" "At daybresk to morrow. "And when does the bell on the ship answe

"Go to your room, your reverence," said Jason, and never stir out of it until you hear the ship's bell in the morning. Then come here and you will find me waiting on this apot to "I do," said the old priest.

"You believe I will keep to my bargain come what may "I believe you will keep to it." "And so I will, as sure as God's above me."

Jason opened the door and entered the room It was quite dark, save for a dull red fire of dry moss that burned on the hearth in one corner By this little fire Michael Sunlocks sat, wit only his sad face visible in the gloom. His long thin hands were clasped about the knee which was half-raised; his noble head was held down. and his flaxen hair fell across his cheeks to hi He had heard the key turn in the look, and

said quietly, "Is that you, Sir Sigfus?" " No." said Jason. "Who is it?" said Sunlocks. "A friend." said Jason. Sunlocks twisted about as though his blind

eyes could see. "Whose voice was that ?" said, with a tremour in his own. "A brother's," said Jason. Sunlocks rose to his feet. "Jason?" he oried. "Yes, Jason." "Come to me! Come! Where are you? Let

me touch you," cried Sunlocks, stretching out both his hands. Then they fell into each other's arms, and laughed and wept for joy. After a while Juson

"Sunlocks. I have brought you a message." "Not from her, Jason !-- no." "No, not from her-from dear old Adam Fairbrother." said Jason.

"Where is he?"

"At Husavik." "Why did you not bring him with you?" "He could not come." " Jason, is he ill?" "He has crossed the desert to see you, but he can go no further. "Jason, tell me, is he dying P"

"The good old man is calling on you night and day. 'Sunlocks!' he is crying. 'Sunlocks! my bey, my son. Sunlocks! Sunlocks!"" My dear father, my other father. God bless

" He says he has crossed the seas to find you. and cannot die without seeing you again. And though he knows you are here, yet in his pain and trouble he forgets it. and cries, Come to me, my son, my Sunlooke. " Now, this is the hardest lot of all." said

"Oh, these blind eyes! Oh, this cruel prison! And so he went, and bemoaned his bitter fate.

Jason stood over him with many pains and misgivings at sight of the distress he had created. "Sir Sigfus," said Jason. "your good name | And if the eye of heaven saw Jason there, surely "Hush, Sunlocks, hush!" he said, in a tremu-

lous whisper. "You can have the day you wish for; and if you cannot see, there are others to lead you. Yes, it is true, it is true, for I have settled it. Yes, it is all arranged, and you are So give your hand to this good woman, and to leave this place to-morrow."

Hearing this, Michael Sunlocks made first a ery of delight, and then said after a moment. "But what of this poor old priest?" "He is a good man, and willing to let you Jason. "And now go. Down at the jetty you shots into his heart, the biggest heart for good

od." said Jason. "But he has had warning that I may be wanted at any time," said Sunlocks, "and though his house is a prison, he has made it a home, and I would not do him a wrong to save my life." "He knows that," said Jason, " and he says that you will come back to him though death itself should be waiting to receive you." "He is right," said Sunlocks; "and no dis-

aster save this one could take me from him to his peril. The good old soul! Come, let me thank him." And with that he was making for the door. But Jason stepped between, and said, "Nay. it isn't fair to the good priest that we should make bim a part to our enterprise. I have told him all that he need know, and he is content. Now, let him be ignorant of what we are doing until it is done. Then if anything happens it will appear that you have escaped."

"But I am coming back," said Bunlocks. "Yes, yer," said Jason, "but listen. To-morwill go down to the bay. There is a small boat moved off; he heard the clank of the chain as nation, that seemed to heave the sea and shake lying by the little jetty, and a fishing smack at anchor about a biscuit-throw farther out. The good woman who is housekeeper here will-lead another sound came to his ear through the

"Why she ?" interrupted Sunlocks, -Jason paused, and said, "Have you anything against her P' No, indeed," said Sunlocks. "A good, true woman. One who lately lost, her husband, and at the same time all the cheer and hope of life. Simple and sweet, and silent, and with a voice woolly light had begun to creep over the that recalls another who was once very near and mountain tops, and a light breeze came down

"Is she not so still?" said Jason. "God knows. I scarce can tell. Sometimes think she is dearer to me than ever, and now that I am blind I seem to see her near me al ways. It is only a dream, a foolish dre m. "But what if the dream came true," said Jason. That cannot be said Sunlocks. "You where is she? What has become of her? she with her father? What is she doing ?" "You shall soon know now," said Jason. Only ask to-morrow and this good woman will

But why not you yourself, Jason P' said Sunlocks. "Because I am to stay here until you return," "What ?" cried Sanlocks. "As bondman the law instead of me? Is that it? Speak! There was silence for a moment. Sunfacks marked it with a cross for superscription, touched the poorest outcast on life's highway shall cry felt about with his helpless hands notil he touched Jason, and then he fell sobbing upon his neck.

my place and my friends-all-save one-and it, and he wriggled with it and threw it off. despatch comes while you are away, I will say that you are coming, and you will come" may never come bank, said Sunlocks. "Only think, my lad. This is winter, and we

are on the verge of the Arctic seas, with five and thirty miles of water dividing us from the mainland. He would be a hold man who would count for a day on weather in which a little fishing smack could live, and a storm might come and keep me back." "The same storm that would keep you back," said Jason, "would keep back the despatch. thinking of yours. My lad, my good lad, you But why hunt after these possibilities! Have have made me ashamed. If you dare risk your you any reason to fear that the despatch will life, I dare risk my place, and I'll do it; I'll come to-day, or to-morrow, or the next day? crept along the mountain sides, and the valley No, you have none. Then go, and for form's was reiled in mist. But the sea was clear and sake-just that, no more, or less-let me wait

> There was another moment's silence, and then "Did this old priest impose it ?" asked Sun Jeson hesitated a moment, and answered

"Then I won't go," said Sunlocks, stoutly.
"If you don't," said Jason, "you will break pockets for a key, and shuffling along, can poor old Adam's heart, for I myself will tell him louder. Still another draught, and another,

> There was a pause, and then Jason said, very tenderly, "Will you go, Sunlocks P". And Sunlocks answered, "Yes.

Jason slept on the form over against the narrow wooden bed of Michael Sunlooks. He lay down at midnight, and awoke four hours later. Then he stepped to the door and looked out. The night was calm and beautiful; the moon think you would never see it again? Did you was shining, and the little world of Grimsoy think I would run away and leave you? Not I slept white and quiet under its coverlet of snow. Snow on the roof, snow in the valley, snow on l the mountains so clear against the sky and the fearfully into the room. stars; no wind, no breeze, no sound on earth and in air save the steady chime of the sea below. It was too early yet, and Jason went back into the house. He did not lie down again lest he

should oversleep himself, but sat on his form and waited.- All was silent in the home of the priest. Jason could hear nothing but the steady breathing of Sunlocks as he slept. After a while it began to snow, and then the moon went out, and the night became very dark. "Now is the time," thought Jason, and after hanging a sheepskin over the little skin-covered window, he lit a candle and awakened Sunlocks. Sunlooks rose and dressed himself without much speaking, and sometimes he sighed like a

down hearted man. But Jasou rattled on with idle talk, and kindled a fire and made some coffee. And when this was done he stumbled his way from Reykjavik, and will be here to-day. Ha through the long passages of the Iceland house hallha! until the came upon Greeba's room, and there he knocked softly and she answered him. She was ready, for she had not been to bed, and about her shoulders and across her breast was a sling of sheepskin, wherein she meant to carry her little Michael as he slept.

"All is ready," he whispered. "He says he may recover his sight. Can it be true ?" "Yes, the apothecary from Husavik said so," the answered

"Two years I have lived alone," she said, " in the solitude of a loveless life and the death of a pray to him. He doesn't make His wor heartless home. My love has been silent all wretches like me. I'm a pagan, am I P. So be this weary, weary time, but it is to be silent no it! Good night, you dear old mole! longer. At last! At last! My hour has come night! Never mind your brenni-vin. I'll sleep at last! My husband will forgive me for the de- without it. Good-night! Good-night!" ception I have practised upon him. and the little green island of her sea!" "God bless them beth." he said aloud, but he best : leapt to his feet, musble to hear the flow of his thoughts. He put back the paper and pens into the cupboard, and while he was doing so he came upon a bottle of brenni-vin. He took it out and laughed, and drew the cork to take a draught. But he put it down on the table untouched. "Not yet," he said to himself, and then he step- lava blocks, now honeycombed and moss-covered, ped to the door and opened it.

The snow had ceased to fall and the day was it is called "The place of Red Jason." breaking. Great shivering waifs of vapour peaceful, and the sloop of war lay on its dark hosom as before.

"Now for the signal," thought Jason. In less than a minute afterwards the flag was floating from the flag-staff, and Jason stood waiting, for the ship's answer. It came in due course, a clear-toned bell that rang over the quiet waters and conoed coross the land. "It's done," thought Jason, and he went back into the house. Lifting up the brenni vin, he took a long draught of it, and laughed as he did | Ecsama, and Scree of all kinds, it is a never-failing so. Then a longer draught, and laughed yet and permanent ours.

and shambled out into the passage, laughing as he went. "Where are you now, old mole?" he shouted. and again he shouted, until the little house rang with his thick voice and his peals of will

laughter. The old priest came out of his room in his nightshirt with a lighted candle in his hand. "God bless me, what's this ?" said the old man. "What's this? Why, the key, the key," shouted Jason, and he laughed again. "Did you

"Has he gone?" said the priest, glancing "Gone? Why, yes, of course he has gone, 'They have both cone." laughing Jason. "Both!" said the priest, looking up inquiring-, and at sight of his face Jason laughed louder

" So you didn't see it, old mole ?" "See what?" "That she was his wife?" "His wife? Who?" "Why, your housekeeper, as you called her. "God bless my soul! And when are they

oming back ?" "They are never coming back." "Never !" "I have taken care that they never can. "Dear me! dear me! What does it all mean? "It means that the despatch is on its way

"To-day 2 God save us! And do you intend "Well, and what of that? It's nothing to Trade Mark-A" White Rose" on a "Golden Lyre," to die instead of him?" you, is it? And as for myself, there are old scores against me, and if death had not come to me soon, I should have gone to it." "I'll not stand by and witness it."

"You will, you shall, you must. And listen -here is a letter. It is for him Address it to her by the first ship to the Shetlands. The Then have no fear. Tell him who you are, Thora, Shetlands—that will do. And now bring me some more of your brenni-vin, you good old And hearing that, Greebs began to ory for soul, for I am going to take a sleep at last-a joy, and to thank God that the days of her wait- long, long sleep at last." "God pity you! God help you! God blor"

"Ay, ay, pray to your God. But Saying this smid broken peals of unearthly

and a burst of weeping followed.

It was on the following morning that the evil is to wear a new bonnet on the morrow, and is work was done. The despatch had arrived, a Free.-A. LOISETTE, 37, New Oxford Street, counting the minutes until that morrow comes; day's warning had been given, and four sailors, London. armed with muskets, had come ashore. should awake too late. And Jason stood aside and It was early morning, and not a soul in TUBIAN LIQUID WATERPROOF Grimsey who had known Michael Sunlocks was and he dare not speak. To save sason from the

ground in front of the house whereon the snow " Lafe is a funny lottery, isn't it ?" said Jason, was trodden hard. Jason came out looking strong and content. His step was firm, and his he meet and best it. This was that place, and

white head bent and his nervous hands clasped Jason opened the door. "It is very dark," together. He was mumbling the prayers for the he whispered, "and it is still two hours before dying in a voice that trembled and broke. The the dawn. Sunlocks, if you had your sight al- morning was clear and cold, and all the world Jason took up his stand, and folded his arms behind him. As he did so the sun broke through the clouds and lit up his uplifted face and long red hair like blood. The sailors fired and he fell. He took their

Within an hour there was a great commotion | ELLWOOD'S PATENT AIE CHAMERE HELMETS on that quiet spot. Jorgen Jorgensen had come, thing. His order had been executed, but Sunlocks was gone and Jason was dead. Where were "Come," said Greebs, and she drew at the his miserable fears now? Where was his petty hate? Both his enemies had escaped him, and

his little soul shrivelled up at sight of the wreck "What does this mean P" he asked, looking stupidly around him. And the old priest, transformed in one in darkness and the falling snow-Sunlocks and stant from the poor, timid thing he had been, turned upon him with the courage of a lion. "It means," he said, face to face with him,

the anchor was lifted; he heard the cars again the island. Jorgen knew what it meant. It as the little smack moved down the boy, and not meant that the English man of war had come. EZ EATING'S COUGH LOZENGES The Danish sloop struck its colours, and Adam Fairbrother came ashore. He heard what had Coughs, ASTHMA, BRONCHITIS, DIFFICULTY the deaf ear, "My brave lad, your troubled life remedy is half so effective. One Lozence slone Then rising to his feet he looked around and most delicate. One or two at bed-time ensures said, "If any man thinks that this world of God rest whou troubled by the throat. Sold by all is not founded in justice, let him come here and Chemists, in Small Tins.
